

## Spring Y4 Creative Homework Map

This homework is an optional extra to the maths and English homework that also comes out each week. Children can complete this throughout the whole term and can bring this in to share with everyone or send a picture on dojo for us to look at! It can be done on paper (please ask if you need support with this) or it can be done on the computer using word or power point.

Gather pebbles and paint rainforest animal patterns on them

Create an adventure story with the setting in The Amazon Rainforest

Close your eyes, relax and have some down time listening to the sounds of the rainforest.

Create your unique animal that would live in a rainforest

Think about what features and characteristics it would need to survive, mind map them around it!

Sketch or paint a rainforest setting.

Create a 'how to survive' guide for The Amazon Rainforest.

Think about what you might need to wear, what would you need to sleep and how would you catch food and eat!

Create a fact file about an endangered animal that lives in The Amazon Rainforest
