Multiplication Check

▶ Gov.Uk states:

Information

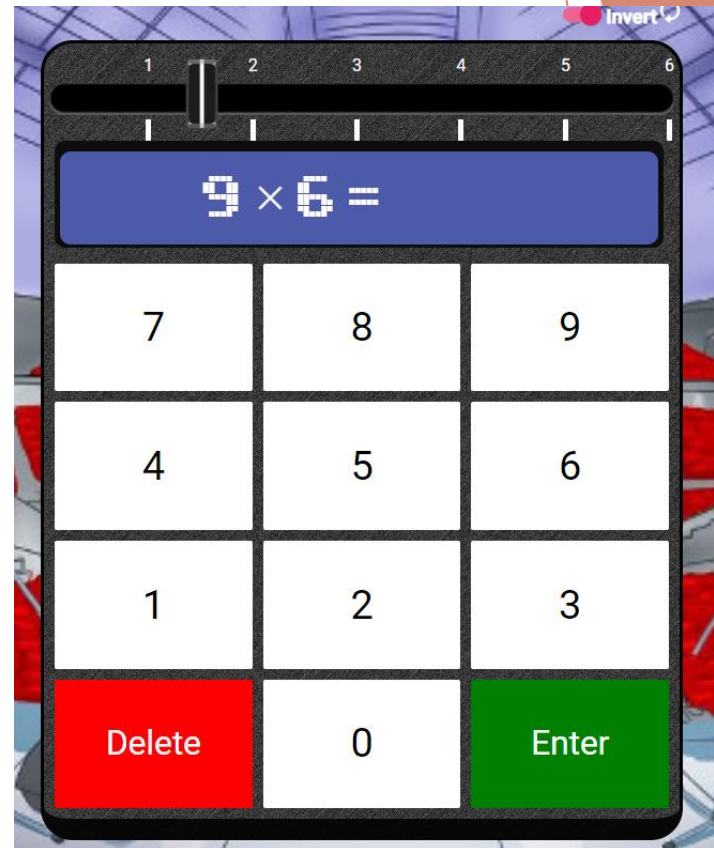

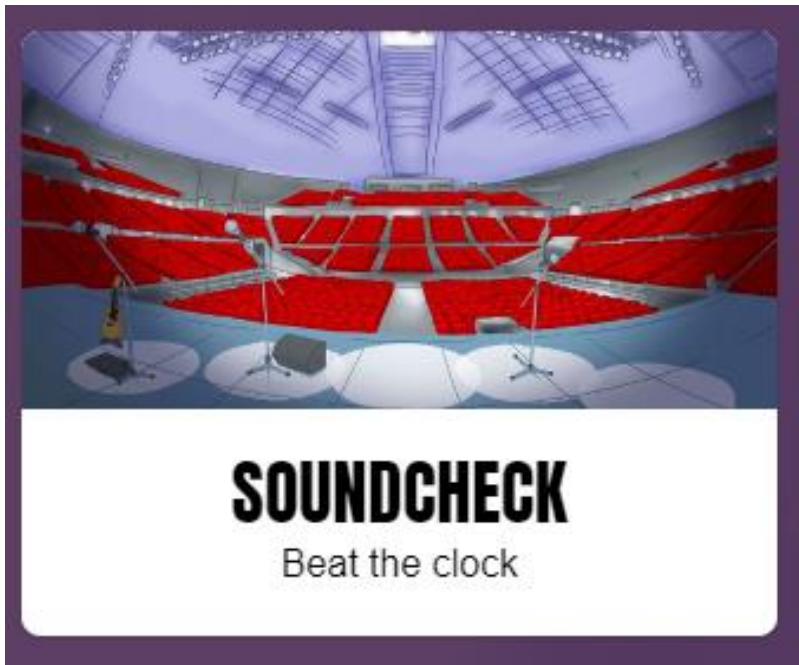

The multiplication tables check (MTC) is statutory for all year 4 pupils registered at state-funded maintained schools, special schools or academies, including free schools, in England.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help schools to identify pupils who have not yet mastered their times tables, so that additional support can be provided.

- ▶ The test will take place in June 2025
- ▶ The children complete it in class in small groups with a familiar adult
- ▶ The test is out of 25 and is a simple pass or fail
- ▶ It does not directly impact their maths assessment

TTRS

- ▶ The children need to be completing soundchecks

Homework

- ▶ Homework will follow the school policy and remain the same as last year.
- ▶ Maths, SPAG or Reading - Thursday to Thursday
- ▶ TTRS - Thursday to Thursday
- ▶ Creative homework - Termly (optional)

Year 4 Topics
