Headteacher's message

Dear Parents and Carers,
Here's a look back at another busy and positive week at King Edward Primary School.

Whole School Writing Focus - National Handwriting Day
This week we launched our new whole school writing focus, linked to National Handwriting Day. Children across the school have been working hard to improve their presentation, posture and pride in their work, and it's been lovely to see how seriously they have taken this.

We have been talking about:

- Sitting correctly when writing
- Holding pencils properly
- Taking pride in how work looks

Many children were celebrated for their efforts in Superstars, and we've loved seeing their confidence grow as their handwriting improves.

We've been focusing on Whole Body Listening across the school. This helps children to be ready to learn, show respect, and engage fully in lessons.

It's also been a busy sporting week with our Trust Pace ball festival and indoor athletics competition for KS2 children, well done to all involved!

Thank you, as always, for your continued support. It really does make such a difference.

Have a lovely weekend- Mrs Estell.

staff shout out!

Mr Daykin!

A huge thank you to Mr Daykin, our fantastic Year 5 class teacher, Computing and Attendance Lead, for everything he does for our school.

He works tirelessly to support children and families, helping to improve attendance while also making learning exciting, supportive and inclusive in his classroom. His dedication, care and consistency make a real difference every day, and we are very lucky to have him as part of the KEPS team.

thank
