News from KEPS

Sports days across F2, Year 1/2 and Year 5/6 were full of energy and teamwork, with children showing determination and great sportsmanship despite the cooler weather. F2 brought lots of smiles, KS1 pupils impressed with their growing confidence, and our oldest pupils rounded off the week with fantastic effort and resilience.

Children also took part in transition sessions, spending time in their new classrooms and meeting their new teachers.

They approached the change with maturity and excitement, helping them feel ready for September.

Vikings for a day!

This week, Year 5 took part in a Viking themed day. The children baked bread - following a traditional recipe - and held a feast. They then read aloud some of their letters, which they wrote in English from the perspective of Beowulf after defeating Grendel (with the feast forming part of the character's celebration).

All of the children had lots of fun and some even chose to dress up!

The poster features a central illustration of a group of runners, including adults and children, running through a cloud of colorful powder. In the background, a large stone castle is visible. The entire scene is framed by a thick blue border. Large, vibrant paint splashes in yellow, green, pink, and blue are positioned around the central image. The title 'KING EDWARD'S RAINBOW RUN' is prominently displayed at the top in a rainbow-colored, 3D font. At the bottom, a red banner contains the text 'SAVE THE DATE! 17th JULY' in white and yellow. The overall design is festive and celebratory.
